FRESHMAN SCHOLARSHIPS

The Roy J. Carver Department of Biochemistry, Biophysics and Molecular Biology awards scholarships to entering freshmen on the basis of academic merit, leadership and participation in high school and community activities, and a promise of future achievement in biochemistry and biophysics. Selection is made by the BBMB Scholarship Committee.

To the applicant:

1. Please complete the enclosed scholarship application form and return it to the Department of Biochemistry, Biophysics and Molecular Biology at the address below. The deadline for receipt of all materials is April 1.
2. Please ask your science teacher and one other teacher each to write an evaluation, using the enclosed forms. Evaluators should send the completed evaluations directly to our department.
3. Please ask your high school to forward a copy of your transcript to the Department of Biochemistry, Biophysics and Molecular Biology. A transcript request form is enclosed.

Note: To apply for the department scholarships, the student must be in the process of applying for admission to Iowa State University. To be selected for these scholarships, the student must have been admitted to Iowa State University. Application for admission to Iowa State University can be found at https://www.admissions.iastate.edu/apply/online/?app_types=Freshman

Please mail all forms by April 1 to:

APPLICATION FOR DEPARTMENT SCHOLARSHIPS

Name _____

Street Address _____

City, State and Zip _____

Home Telephone _____ E-mail address _____

Name of Your School _____

School Principal Title _____ Name _____

School Address _____

School Telephone _____

Your expected date of graduation _____ Social Security No. _____

Please list the names of the teachers who will send confidential reports:

1. _____

2. _____

What subjects have you found most interesting and stimulating in school?

Describe your participation and leadership positions in extra-curricular activities.

What is your hobby or special interest activity?

(over)

If you have worked on any special science project(s) not mentioned above, please describe or send a write-up of your work.

Describe your special talents or accomplishments, such as playing a musical instrument, and awards.

Are you involved in any community activities? Please also indicate your employment record.

Please write a short (200 words or less) statement telling why you have chosen biochemistry, biophysics or agricultural biochemistry as a major at Iowa State University.

Please return all materials by April 1 to:

CONFIDENTIAL REPORT ON SCHOLARSHIP APPLICANT

Applicant Name _____

Applicant Address _____

- I waive the right given me by the Family Education Rights and Privacy Act of 1974 to view this confidential letter of recommendation in my file at the Department of Biochemistry, Biophysics and Molecular Biology at Iowa State University.
- I do not wish to waive this right.

Applicant Signature _____ Date _____

The above-named person is under consideration for a scholarship in the Department of Biochemistry, Biophysics and Molecular Biology at Iowa State University. We would appreciate your evaluation of his/her potential for performing well in a major of biochemistry, biophysics, or agricultural biochemistry at Iowa State University. Comments on achievement in science related courses, character, leadership, and activities in high school activities are also helpful. Please use the space below for your comments or send a separate sheet.

Name of respondent _____ Telephone _____

School and Department _____

Address _____

Signature of respondent _____ Date _____

Please return by April 1 to: *Scholarship Committee*
