

Rooms in the east and west student dormitories include two sets of bunk beds and storage space for 4 individuals.

Parking is available for 25+ personal vehicles or up to 10 fifteen-passenger vans.

Each room in the student dormitories includes a modern bathroom, providing both comfort and privacy.

Additional bathrooms and a convenient, coin-operated laundry facility are located in the Classroom Building.

The first floor of the Smith Lodge contains the kitchen and dining hall. Living quarters and office space for staff members are on the second floor.

The new classroom includes a projector, screen, sound system, dry-erase board, and seating and workspace for 48+ students.

Camp sites are also available along Shell Creek.

Decks on each of the four buildings provides additional space for meals, studying, social gatherings and enjoying the summer evenings in Wyoming
